LETTER OF REFERENCE:

To whom it may concern,

It is with great pleasure that we offer a letter of reference for the work completed by Karl and Mo of B.Bros. Finishing Ltd. for our new, custom built home. As the homeowners, we feel exceptionally proud of end result.

The project was composed of several custom areas in the home. The kitchen pantry is exquisite in it's design and function with no small detailed spared. Built in shelving (with adjustable shelves) provides the utmost storage capabilities while the routed edges and beadboard backing add to the custom feel. The gorgeous creatively crafted crown mould seamlessly frames the top to complete this pantry.

Another custom part of the home was the bar area. The bar is a fine example of Karl and Mo's exemplary workmanship and craftsmanship. They were able to understand and comprehend our vision and exceed our expectations. They created a bar that has a wonderful nostalgic feeling of a traditional pub with its fine detail made from stain grade maple veneer and an assortment of trim. We greatly appreciated their professional opinion and ideas that contributed to the success of the project.

We would highly recommend B.Bros. Finishing Ltd. to those who expect only the best results.

Sincerely,

Joel and Amanda French
